## Plan B Was Great, Too!

This Saturday is my grandma's birthday. Dad and I will visit her in Gunsan. Dad usually makes plans for our family trips, but I will make a plan this time!

### My Plan

First, I need bus tickets! I will buy tickets for the first bus from Suwon to Gunsan. The streets will not be busy early in the morning.

Second, I will get a birthday cake! I will buy a strawberry cake at a famous bakery in Gunsan. My grandma loves strawberries.

Third, I will prepare for my grandma's birthday party!

I will find a nice seafood restaurant.

Fourth, we will take family pictures! Taking family photos in a studio will be great. I'm so excited!

## On Grandma's Birthday

My plan looked perfect. But Dad and I woke up late and missed the bus. I said, "It's okay, Dad. We have a plan B. Our plan B is taking the train." Dad said, "Great! You had another plan. Thanks to you, we can be there in time." So we took the train, and it even had a special ondol room! Dad and I really enjoyed riding on the train. We got there in time. Hooray!

We had another problem. There was no strawberry cake at the bakery. We got a carrot cake instead. Finally, we met Grandma at the seafood restaurant. She loved the food, even the carrot cake! Her birthday party was a big success.

Lastly, we went to the studio. We put on school uniforms for fun. I said, "Grandma, you look like a student in that uniform." We took very nice pictures together. My grandma looked so happy. She said, "Thank you for everything today. I love you so much!"

My plan did not work out perfectly, but I was not upset. I had another plan. Plan B was great, too!
