Log in to School Club Activities

Today is the school club day. Club members are doing fun activities now. Let's meet them!

Do you like robots? I'm Yeji from the robot club, We Makers. My club members learn programming and build robots. Right now, we are testing our robots. This is Jake's spider robot. Watch out! His robot is running away!

Hi! I'm Brian. This is Dream and Draw, and my club members make webtoons. Mina is writing a story, and I am drawing pictures. I use a painting app for my pictures. With this app, I can use many kinds of brushes and colors. My club members will post our new webtoons on our social media site this Friday. Why don't you visit our social media site and read our webtoons?

Welcome to my club, New Voice. I'm Hayun. My club members sing songs and perform together. My club is practicing for a global music project now. We will make a music video with Melodia, a singing club in Singapore. Melodia and New Voice are not in the same country, but we can create one beautiful sound.
