## Tommy, My Hero

**Reporter** Hello, everyone! Today, we have an amazing story about a cat and his owner. Hi, Gary. Can you tell us about it?

**Gary** Sure. I was sick for a long time, so I stayed home. My cat, Tommy, stayed by my side. He was my only friend. We often played a game together.

**Reporter** A game? What was it?

**Gary** It was a telephone game. It was a kind of training. Tommy pushed buttons on the telephone.

One of the buttons was for 911.

**Reporter** Did it work?

**Gary** Yes, it did. A few days ago, I fell down from the chair and couldn't move. At that moment, Tommy ran to the telephone and pushed the buttons.

**Reporter** Wow, that's amazing. Here we have the police officer. What happened on that day?

**Police Officer** We got a call, but there was no sound.

Later, we got another call and there was no sound.

So we checked the address, and I went to Gary's house.

**Reporter** What did you find there?

**Police Officer** Gary was on the floor and his cat was next to the telephone.

**Reporter** Oh, Tommy called 911 and saved your life!

**Gary** Right. Tommy did it! He is my hero. Thank you, Tommy.
