

## Lesson 7 Greener, Greater

### Functions

#### 걱정 표현하기

I'm worried about the sea animals.

#### 제안하기

A: Why don't we make fun recycling boxes?

B: Sounds like a great idea.

### Forms

- 명사처럼 쓰이는 to부정사

I wanted to help, but I couldn't.

- 감탄문 How lucky I am!

## Everyday Communication 1

1

W Look at the big plastic island in the ocean.

M Oh, is this all plastic?

W Yes. I'm worried about the sea animals.

M Me, too. They can eat plastic waste and get sick.

2

M You look worried. What's wrong?

W I'm worried about the English speaking test.

M Oh, I see. Speaking in front of people is not easy.

W Yeah, it is always hard for me.

3

M Seoul is so beautiful at night.

W Yeah, it is. But I'm worried about the birds.

M Why?

W It is bright all night, so they cannot sleep well.

## Everyday Communication 2

1

M Look! This is the design for our concert poster.

W Oh, it's cool.

Let's print and put up posters round the school.

M Well, that is a waste of paper.

Why don't we post it on the school website?

W That's a good idea.

2

M Tomorrow is Mr. Green's last day at school.

He will go back to the U.S.

W I feel so sad. I really liked his class.

M Me, too.

Why don't we throw a surprise party for him?

W Great idea. Let's prepare it together.

3

M Oh, there is too much plastic waste in our classroom.

W Yeah.... We need to recycle more.

Do you have any ideas?

M Why don't we make fun recycling boxes and put them in our classroom?

W Sounds like a great idea.

## Wrap Up

1

M Look at all the trash on the beach.

W Yeah. There is a lot of trash.

M It's a big problem.

W Yes, it is. I'm worried about the sea animals.

2

W This Friday is Mom's birthday. I want to give her a special present.

M Sounds good. Do you have any ideas?

W Well, why don't we make a video with our family pictures?

M That's a good idea. She will love it.

## What a Lucky Ducky!

Hi! I am a plastic duck and I am a bath toy. But

look! I am not in a bathroom. I am in the middle of

the ocean. How did I get here?

I was from a factory with other ducks. People made

us with plastic because it is light and lasts long.

People put us in boxes and we went out to sea.

But the boxes fell into the ocean in an accident.

Luckily, we could get out of the boxes.

The wind was strong, so the waves took us apart.

In the ocean, I met a lot of sea animals.

But many of them were in trouble.

One time, I met a sea turtle in a fishing net.

"Get me out of this," the sea turtle cried.

I wanted to help, but I couldn't. I was so sad.

Then the waves took me to a giant trash island.

I saw a lot of plastic waste.

I wanted to get out of there.

One day, a strong storm freed me. After weeks, I

finally reached land. There were a lot of people at

the beach. Oh, someone picked me up. "Where am I

going now?," I thought.

What a long journey! I am finally in a bath tub with

this boy, Mike. How lucky I am! But sometimes I

think about my other duck friends. Are they still in

the ocean? I hope to see them all someday.
