G Hi, Jeongho. Yes, I am. I'm looking forward to running my booth.

B That's a great idea. Do you need any help? I can give you a hand.

The School Heroes Awards

Welcome to the School Heroes Awards! I'm the student president, Eunho Choi. During the school day, we see our friends and teachers most of the time. But there are other people who play roles behind the scenes! Today, we have awards to present to three of these heroes.

Drum roll, please! The first winner is the facilities manager, Mr. Kim! He takes care of our school buildings. Do you remember last summer? Some air conditioners broke down, and it became very hot. However, Mr. Kim came right away and fixed them. He works hard to make our school a great place for studying.

"I love working for our students. If you have a question about the school facilities, feel free to ask me!" - Mr. Kim

The next award goes to ... the leader of the cafeteria staff, Ms. Lee! Many students say our school lunches are the best. Ms. Lee prepares fresh and delicious meals for us every day. At lunchtime, she serves us food with a big smile. After the students leave the cafeteria, she washes the dishes and cleans the cafeteria.

"I'm happy when students enjoy their lunches. I'm proud to serve delicious and healthy food." - Ms. Lee

Now it's time to announce our final winner. It's our security officer, Mr. Park. Who do you see first when you enter the school gate? It's Mr. Park. He makes sure we can walk to school safely in the morning. During the day, he walks around the school to check for any dangerous situations. We can feel safe and focus on studying thanks to him!

"Thank you for this wonderful award. I will do my best to keep you safe at school." - Mr. Park

Congratulations to the winners! If you see these heroes around school, why don't you thank them for their hard work?
