Those who have dogs must take them outside for exercise too. Pets are very happy in Switzerland.

Singapore: Let's Keep the City Clean

Singapore is a very clean city. Here, people cannot eat or drink on buses or the subway. They also cannot sell or import chewing gum. Those actions can make the city dirty and messy. People who break the rules must pay a fine. In Singapore, everyone knows where to eat and where to throw away their trash. Thanks to these rules, Singapore remains very clean.
