My Bag, My School Life

Welcome back to school, friends! Why don't we open up our bags and get to know each other?

Bora

I always bring my headphones in my bag. I like to listen to music because it makes me happy. My best friend, Lucy, and I share playlists and talk about our favorite singers. My favorite singer is Gina and this is her album. She is the most famous singer in Korea. I always listen to her songs during lunch time. I also like the sounds of nature. When I need to relax before tests, I listen to raindrops.

Seho

This is my soccer bag. My lucky soccer shoes are in the bag. When I wear these shoes, I always win. So, I have them with me all the time and I keep them clean. I also have this soccer diary in my bag. All the greatest soccer players write about their training. I write about my strong and weak points in my diary. My dream is to become a world-famous soccer player. Soccer is my life!

Hazel

I have this cute pouch in my bag. It's my snack pouch. I put candies, jellies, and snack bars in it. I like to try out the newest snacks. These are ramyeon jellies. They look like ramyeon but taste sweet. My friends are also interested in my snacks. So, I bring extra snacks for them. I share chocolate bars with Kate for some energy before P.E. class. Are you worried about my teeth? Don't worry. I don't forget to brush them. I always have a toothbrush in my bag.
