What Makes You Happy?

Hello, teens from all around the world! What is your favorite thing to do in your free time? Does it make you happy?

Anya from Mumbai, India

I love exciting dances in Bollywood movies. The powerful moves and rhythms are amazing. At first, I copied the dance moves in my room. Now I am taking classes to learn Bollywood dances. I love the feeling of moving to the rhythm. It makes me happy. I want to perform in a Bollywood movie someday.

Noah from Cairns, Australia

I live near the beach, and I enjoy snorkeling. When I am underwater, I feel like I am in a new world. Every weekend, I put on my mask and dive into the water. When I swim with colorful fish and see beautiful coral reefs, I feel so happy. This year, I am going to start a school project on coral reefs. This will be a great chance to share the beauty of sea life with my classmates.

Hilda from Tromso/, Norway

In my town, we can see the colorful Northern Lights. I can still remember seeing them for the first time. It was amazing! As I often watched the beautiful night sky, I began to enjoy observing stars. It makes me happy. I use star guide apps to find the names of stars in the sky. I also use a telescope to see stars better. Someday, I hope I can discover a new star and name it after myself.
