## See You in London!

### Subin's Travel Story

I can't wait to tell you about my trip to London. The flight took 15 hours from Incheon. When I met my friend Amelia at the airport, I was so excited. I have known her since I was 10 years old. She took me to many places in London. Come with me on my amazing trip!

### Beautiful Palace

We got on the famous red bus and the first stop was Buckingham Palace. The King and his family live there. We saw the King's Guard. The guards were wearing red jackets and tall black hats. We took pictures near them, but they didn't smile or move. They were like statues!

### Yummy Meal

Next, we went to Camden Market. This market is known for its food from around the world. Amelia told me to try the fish and chips. I thought, "How strange! I have eaten fish many times. But I've never tried it with potato chips." But when the food came out, I found out that they call French fries "chips" in London! After a yummy British meal, we walked around the market. We saw the famous red phone booth and took more pictures. Then I bought a pretty plate for my mom. What a fun day!

### Magical Experience

London often has rainy weather. It rained a little today, but Amelia didn't have an umbrella. She said that most Londoners use umbrellas only for heavy rain. I was surprised to hear that. I asked Amelia to take me to King's Cross Station. I wanted to see this train station because of the Harry Potter movies. They were filmed at this station. Look! We found Platform 9¾! Amelia and I pretended we were in the movies. We took lots of selfies. Can you find the secret way to Hogwarts?

### Traveling Underground

It was time to go home. Amelia said, "Let's take the tube." I asked, "What's the tube?" She told me, "In London, we call the subway the tube. That's because the subway tunnels are round like a tube." On the tube, Amelia asked me, "Red is a special color in London. Did you see many red things?" I certainly did! How many red things can you spot in my photos?
