The Quebec Winter Carnival

Hello! Welcome to the Quebec Winter Carnival. I am Bonhomme, the mascot of the carnival. I am a big snowman. As you can see, I'm wearing a big red hat and a special belt. Do you want to take home an unforgettable memory from the carnival? Follow me, and I'll show you what to do here.

Did You Know?

- Bonhomme means "good man" in French.
- The Quebec Winter Carnival is usually held for 10 days between January and February in Quebec, Canada.

Bonhomme's Ice Palace

This is my ice palace. Every year, a new ice palace is built for the carnival. So, I have a new home each year! Because the palace is made of ice and snow, it shines beautifully during the day. At night, it is even more beautiful with many lights. Take a look at my fantastic ice garden. You can see amazing ice sculptures of trees, flowers, and animals here. You can also enjoy exciting concerts and performances. Do you like to dance? I can teach you how to dance like me.

Toboggan Slide

There are also so many interesting activities you can do at the carnival. The toboggan slide was built in 1884 and is 200 meters long. A toboggan is a long narrow sled. If you like speed, get on the toboggan. It is so fast that you will feel like you are on a roller coaster. While you're sliding down, you can enjoy amazing views of Quebec. You can see a huge famous castle on your left. On your right, you can see a beautiful icy river.

Ice Canoe Race

If you see a large crowd along the river, it's time to watch the Ice Canoe Race. This race is one of the best parts of the carnival, and you shouldn't miss it. Canoe teams have to race through the icy river for about three kilometers. Teams are usually made up of five members, and both men and women can join the team. Look! One team is stuck in the ice and can't move! The members have to push their canoe on the ice to get to the water. Phew! They are in the water again. I hope they can make it to the finish line. The race is so exciting that you will forget about the cold.

Delicious Treats

After all these exciting activities, I'm really hungry.

There are many delicious treats to eat at the carnival.

How about a cup of hot chocolate? It's always the perfect drink in cold weather. You also have to try maple taffy. It's made in a special way here. Let's learn how to make it. Pour hot maple syrup on the snow. Then place a stick on the syrup and quickly roll it around. Now, you have delicious maple taffy! I hope you come and see me at the carnival. Oh, don't forget to check our website for more information. Bye!
